

COMMUNITY H.E.A.R.T.

Denis Goldberg is the Honorary President of Community H.E.A.R.T. in Britain, and the Chairperson of its sister German organization Community Heart e.V.

Both organizations are registered with the relevant authorities as welfare organizations and donations are tax deductible under their national regulations

We work with local people and organisations in South Africa, focusing on:

- Providing greater access to educational resources.
- HIV/AIDS projects which raise awareness and support those affected by the pandemic.
- Supporting those affected by violence against women and challenging gender violence.
- Access to health care.
- Community arts projects helping build local peoples' self confidence and sense of achievement.
- Housing projects addressing the need for formal housing.
